Gingin Olives® : www.ginginolives.com

Gingin Olives is proud to be in the very heart of the Moore River Region.

We specialise in producing mild to medium fruity Extra Virgin Olive Oils that have a touch of pepperiness on the palate.

Each bottle of Gingin Olives Extra Virgin Olive Oil is coded, and by keying this code into www.ginginolives.com you can see the very fruit that was harvested and pressed to make the olive oil in your bottle.

Understand where your Extra Virgin Olive Oil is from, how it grows, how it's harvested and how it's pressed. Know Where it Grows®.

Guilderton:

Guilderton lies at the mouth of the Moore River a popular day trip and coastal holiday destination. Here you will find good fishing in the river and sea, and safe swimming for children.

Lancelin:

Lancelin is fast becoming known as the sailboard mecca of Western Australia and is a colourful spectacle with large numbers of international and interstate windsurfers taking advantage of the excellent local conditions. Long stretches of white sandy beach provide ideal swimming for children, and the extensive Lancelin desert provides the perfect location for the off road enthusiast. A safe anchorage and offshore reef make Lancelin a productive and safe area for those keen on boating and fishing.
