Amirage Family animals

Overseas tourist and locals love to be able to hand feed and get up close and personal with the kangaroo “Tinkerbelle” “Eddie” the Emu and “Mocha” the baby Alpaca and mother “ Erin Elise”

And to watch the 3 peacocks doing there thing especial the 2 males they are so proud to show you all their glory and spread their magnificent feathers and do there shinny dance.

You feel honoured to witness this event.

All variety of bird life at Amirage perfect for bird watcher especially the brilliant iridescent Blue Wren which are native to the Gingin area.

Friendly Dogs are welcome at Amirage.

Shatze and Mollases the dogs and Snooky the house cat
